QUIET. ATTRACTIVE. SAFE. HARMAR POOL LIFTS

Quickly and easily meet current ADA accessibility requirements with Harmar's commercial-grade line of pool lifts—and do it beautifully!

We combined Harmar's 45-years of engineering expertise with upscale patio furniture design to create a pool lift line that enhances any aquatic setting. From its smooth, durable finish to comfortable designer seating, to whisper-quiet operation, Harmar pool lifts offer mobility-impaired swimmers safe access to swimming pools and spas.

ADA Compliant

All Harmar pool lifts meets the ADA's "Standard for Accessibility Design" regulations. Businesses may be eligible for tax credits and deductions based on pool lift purchases. See www.ada.gov and your tax advisor.

Pool Lift Features:

- Fully ADA compliant
- Superior capacity of up to 400 lbs.
- Designed to blend in with existing outdoor furniture (custom color options available)
- Engineered to last with rust-resistant stainless steel and aluminum construction
- Whisper-quiet drive system
- Powerful and smooth operation
- Smart technology battery with reserve power lifts out of the water even if battery is flat.
- Easy, soft-touch waterproof hand set
- 3-Year Manufacturer Limited Warranty

Includes:

- 24V battery pack that runs 40+ load cycles on just one charge; removable for storage.
- Convenient wall-mounted charger
- Folding arms, foot rest and seat belt
- Mounting hardware (lift-specific)
- Public 'Lift Notice' sign

Accessories:

- PL901 Lift Cover
- PL905 Additional Battery Pack for redundancy and 100% availability
