BuyLine 8032

The Concord Prolift VOYAGER sets new standards for commercial wheelchair lifts, providing freedom, independence and accessibility. VOYAGER'S state-of-the-art control and roped hydraulic drive system deliver reliability, safety and smooth operation. Available in a wide variety of colors and finishes, cab design can be customized to fit any décor. The VOYAGER installs easily in virtually any application, allowing access up to four levels and delivers equal measures of accessibility and affordability.

Unsurpassed heavy-duty load capacity.

Quality finishes and wide choice of wall panels.

Minimum space requirements ideal for new and existing buildings.

Smooth, quiet and dependable hydraulic drive system.
